September 25, 1996

TO: Minerals File

FROM: Lynn Kunzler, Reclamation Specialist 

RE: Site Inspection, Emery Industrial Resources, Cherry Hill Park Mine, M/049/021, Utah County, Utah

Date of Inspection: September 10, 1996
Time of Inspection: 8:30 am
Conditions: Mostly cloudy
Participants: Lynn Kunzler, DOGM

Purpose of Inspection: To inspect the site conditions while in the area

There has been a little change since the last inspection. The crusher and stacking conveyors have been moved to the north and west. They have also expanded the pit area in this same direction. Mr. Powell was not at the site. Mr. Powell needs to finalize the permitting of this operation.
